OFFICE OF LEGISLATIVE COUNSEL

Friday - 29 January 1971

1. (Confidential - LLM) Delivered the [REDACTED] to Sourwine. I stressed the conditions attached to its delivery and he agreed to abide by them completely, saying that only he and John Norpel, Research Director, Senate Subcommittee on Internal Security, will read it and it will be kept in the safe during this temporary loan period. Sourwine reminded me that it had been ten years since their publication on Communist Forgeries and that they are anxious to update that publication by testimony from witnesses such as [REDACTED]. I told Sourwine that I would relay his interest in [REDACTED] under the normal understanding at such time as this would suit the Agency's interests. As an aside, Sourwine mentioned the Khrushchev documents as a possible disinformation program.

2. (Internal Use Only - JGO) In response to his request, met with Mr. Bill Woodruff, Counsel, Senate Appropriations Committee, who asked if the Agency would give him a rundown on a [REDACTED] an American who lives in the Falls Church area and appears to have business ties in the Middle East. [REDACTED] gives the impression of possible former close association or possible employment with the Agency in the early 1960's. I told Mr. Woodruff I would see what I could do and be back in touch with him on Monday.

3. (Unclassified - JGO) Met with Miss Harriet Stipe, Assistant to Senator Hubert H. Humphrey (D., Minn.), and gave her several items about the Central Intelligence Agency for use in responding to [REDACTED] Texas who requested information about the Agency. Miss Stipe expressed her appreciation for the prompt reply.
